

How to get to Our Little Paradise Via South Africa:

The Kosi Bay border post is the closest and best way to get to Ponta do Ouro. It is open from 08:00 till 17:00, 7 days a week. It is important that once you are in Ponta you let some air out from your tires (between 1.2 and 1.5 bars). If you are in a 2by4 and not a 4x4 as there are still dirt roads around Ponta, including the road to get to Gamboozini Lodge. There are one or two spots that have some sand, especially if it has not rained in some time, it can be a bit challenging in a normal car.

Alternatively you can park your car at the border at a cost of about R50 per day at Skelm's Parking (082 624 6518) which is secure. You can arrange for a border transfer to Gamboozini Lodge by calling us @ +258 84 4855496.

From Johannesburg we recommend the following route (approximately 7 hours non-stop):

- Witbank - N12 via East Rand or N4 via Pretoria • Hendrina - N11
- Ermelo - N11
- Piet Retief - N2

- Pongola - N2
- Jozini Dam (Turn left off N2 go over mountain pass and over dam

wall)

- Follow signs that say Kosi Bay until you see border post signs,

there is one right turn at a T junction.

- Past Tembe Elephant Reserve
- Last town is Manguzi - good Spar, banks and fuel - 28km from the border

GPS co-ords

-26.848814397523498, 32.88954539575622

Please make sure you leave enough time to get to the border.

Remember the border closes at 17:00

Costs and what you'll need

No charge for South African passport holders when entering Mozambique.

3rd party insurance (available at the border) about R200 for your car and R100 for your trailer.

Temporary import permits for your vehicle and whatever you are towing. R20 each. Vehicle and trailer registration papers (If you're taking them through the border).

Visas (if you do not have a South African passport)

Visas are required for any non-South African passport. Certain visas can be purchased at the border otherwise, visas can be purchased from the Mozambican embassy in your country.
